Inaugural LIMITLESS Ladies Mountain Bike Festival at Oak Mountain State Park 9/18-20/2026

What Is LIMITLESS

The LIMITLESS Ladies Mountain Bike Festival is a transformative weekend event at Oak Mountain that empowers female mountain bikers by breaking down the barriers that keep them on the sidelines. Through affordable, professional training and supportive mentorship, we give hesitant riders the skills and confidence they need to explore trails independently, while simultaneously building a lasting community network that extends far beyond the festival weekend. Participants leave not just with improved riding abilities, but with riding partners, mentors, and friends spanning the Southeast who continue to encourage and support each other's growth in the sport. By sponsoring LIMITLESS, you're investing in the future of women's mountain biking while gaining meaningful exposure to an engaged demographic of passionate cyclists who value brands that support their adventures and empowerment.
